Arredo Bagno

La collezione di bagni Nice Moon riporta in primo piano il concetto di materia:  
un nuovo percorso estetico capace di coniugare materiali  
dalla forte connotazione tecnologica con essenze robuste.  
Un'esperienza visiva e tattile per riscoprire un nuovo legame tra design,  
contatto ed innovazione significativa di prodotto.

The new Moon collection by Nice revolves around the concept of materials:  
its aesthetic inspiration blends technically advanced materials  
with hard-wearing textured wood finishes.

It is all about a visual but above all tactile experience that lets you rediscover  
a new connection between design, texture and advanced product innovation.
