Arredo Bagno

Wind e Air la collezione di mobili per bagno contemporanea adatta a chi ama i contrasti: il calore dei materiali restituisce un'atmosfera intima, mentre i loro colori donano un'idea di irriverenza. Ideata per chi ama uno stile giovane e contemporaneo, mai banale, valorizzata da finiture materiche, laccati opachi, lucidi e ossidati.

Wind and Air is a collection of furniture for modern bathrooms that will appeal to those who love contrasts: the warmth of the materials creates an intimate atmosphere, with an irreverent touch of colour. Is designed for fans of a young, contemporary, but never mundane, style. It is enhanced by the textured finishes, Sand lacquer finishes and glossy and oxidised finishes.

La collezione Air porta l'alluminio nella stanza da bagno, utilizzandolo come struttura di appoggio per le basi del mobile. Altra novità della collezione sono il Top in PPL un materiale altamente funzionale perchè duttile, ipoallergenico e resistente. L'arredo bagno Nice entra così in un'altra fascia di mercato, caratterizzata dall'uso di materiali per mobili bagno e dall'alto apporto estetico.

The Air collection brings aluminum into the bathroom, using it as a support structure for the cabinets. Another new feature in the collection is the PPL top a highly functional material because it is ductile, hypoallergenic and resistant. The Nice bathroom furniture into another market segment, characterized by the use of bathroom furniture materials and a high aesthetic contribution.
